Senator Swigart is trying to do. The purpose, Senator Swigart, is to allow a person to maintain a job and in 15 days, which is one day more than two weeks, a job can be lost so I am telling the members if your purpose in agreeing with this bill so far is to be sure that a person can maintain employment, this amendment should not be adopted. If you are not concerned about the person retaining employment, there is no purpose for the bill in the first place. I am opposed to Senator Swigart's amendment.

PRESIDENT: Senator Anderson.

SENATOR ANDERSON: One thing I would like to point out in connection with this particular amendment that you may need in your consideration is that there is going to be a certain amount of administrative time that is going to be necessary to get these special permits issued. I am assuming that we are talking about, probably a ten working day period, anyway just administrative lead time on the part of the Department of Motor Vehicles. This could have the effect of giving them that lead time without somebody camping on the front door of their office and making it impossible for them to do their work. They are going to have to get the applications out. They are going to have to allow this guy a day or two to get the affidavit signed, to get them back. Their plans are to have somebody check these things out to make sure that all the facts are verified. So there is going to be a certain amount of administrative time that is going to be necessary to issue these permits in any case.

PRESIDENT: The question is, shall LB 259 be returned to Select File for specific amendment. Record your vote. Have you voted? Record, Mr. Clerk.

CLERK: 12 ayes, 13 nays, Mr. President.

PRESIDENT: Motion fails.

CLERK: Inserted in the Legislative Journal a report that your Enrolling Clerk did on this date present to the Governor LB 129, 211 and 474. Mr. President, I ask unanimous consent to bracket LB 341 until...we have already done that. Mr. President, I move for the introduction of the attached bill. Signed Senator Rasmussen. It is a bill relating to the Nebraska Veterans Home.

PRESIDENT: Senator Rasmussen.

SENATOR RASMUSSEN: Mr. President and members of the body, this was brought to me by the Legion. According to the Attorney General's opinion here a couple of weeks ago, it puts them in a very difficult position as far as the legal residency status of people that are eligible to go into the Soldiers and Sailors Home and with that I would ask for your help to introduce the bill.

PRESIDENT: This proposition requires 30 affirmative votes. The question is, Senator Rasmussen's request for the introduction of a bill. Record your vote. Would you revote, please? Have you voted? Record.
